Note: We have incorporated items from the Embellishment Pack and Wood Mounted Stamps into many of this month's layouts. If you do not have all of these items, simply make a substitution or eliminate the step. To conserve paper or increase the number of layouts that can be created, substitute POPs for trimmed papers whenever possible.

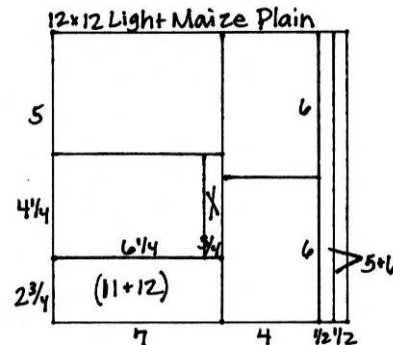

The edges of many pages, photo mattes, and other elements have been edged with blue ink; however, instructions to do so are not included below.
